

Cost & Technical Focus Group

Boeing Washington Conference Center
929 Long Bridge Drive, Arlington, VA 22202

Washington Conference Center

Who Should Attend:

- * Cost Analysts and Program personnel (Government and Industry) who are or will be involved in CSDR contracting and reporting and affected by OSD CAPE initiatives.

Why You Should Attend:

- * CAPE is implementing new cost and technical data initiatives and would like your feedback.

How:

- * OSD CAPE—Plenary sessions and community feedback forums to discuss implementation guidance on all cost and technical data reporting initiatives.

The Focus Group will enable you to:

- * Describe and implement the following data initiatives: Flex-Files, Quantity Report, Technical Data, Maintenance & Repair, and Software Resources Data Reporting (SRDR).
- * Understand benefits to the cost community.
